Stand by me movie quotes chris

There are quite a few quotes from Super Troopers which can make anyone laugh. The story is about a group of highway patrolmen who lead an easy life. Their lazy life is threatened when their station is about to close down. It is a story of the rivalry between the local police force and the troopers. Here are a few memorable quotes from Super Troopers. Captain O'Hagan I swear to God, I'll pistol whip the next guy who says shenanigans! These boys get that syrup in 'em, they get all antsy in their pantsy. I'll believe ya when me shit turns purple and smells like rainbow sherbet. There was a time when we'd take a guy like you in the back and beat you with a hose. Now you've got your God-damned unions. Foster Okie silly dilly dokie-o. I'm an idiot. Farva Looks who's talking 'Denim Dan!' You look like the President and CEO of Levi-Strauss! Rabbit! It's really funny, Cap! It's Afghanistanimation. College Boy He's already pulled over, he can't pull over anymore! Ramathorne High kid Ramathorne High kid Ramathorne Thorny Foster Thorny Foster Thorny : That's brown magic. Image: Embassy Pictures Think you're the best when it comes to '80s movies? A lean, mean fighting machine? Prove it. See if you can match these quotes from the most popular movies from the decade of excess. After a summer of getting beaten up by the local gang of karate-trained hooligans from high school, Daniel LaRusso begs Mr. Miyagi to train him. But instead of starting with foot sweeps and knee strikes, Daniel finds himself doing routine chores around Miyagi's place -- like waxing his classic cars. But little did he know that these chores were his training. Now, remember, "Breathe in through nose, out the mouth. Wax on, wax off. Don't forget to breathe, very important." That was the summer of 1963 - when everybody called her Baby, and it didn't occur to her to mind. That was before President Kennedy was shot, before the Beatles came, when she couldn't wait to join the Peace Corps, and she thought she'd never find a guy as great as her dad. That was the summer she went to Kellerman's. There, dance instructor Johnny Castle and Frances "Baby" Houseman meet the night she carries a watermelon up to the staff quarters. And then, at then end, there's the night when Johnny states so matter of factly that, "nobody puts Baby in a corner" -- and they do the lift. It's 106 miles to Chicago, we got a full tank of gas, half a pack of cigarettes, it's dark, and we're wearing sunglasses. You know how to respond: Hit it. They'll never get caught. They're on a mission from God. "Jolie!" Jake and Elwood Blues, that is. The two, played by John Belushi and Dan Ackroyd, put the band back together to save the Catholic orphanage where they grew up, in the 1980 comedy, "The Blues Brothers." "The Princess Bride" introduced us to Inigo Montoya, Fezzik, Miracle Max, Buttercup and Westley aka the Dread Pirate Roberts. And, of course, the Sicilian, Vizzini, who continually uses the exclamation, "Inconceivable!" when he really means "Impossible!" Vizzini, we don't think that word means what you think it means. So many people quote this, and yet so many don't get it quite right. Often, you'll hear, "Luke, I am your father." Close, but not quite. Just after Darth Vader has cut off Luke's hand, he, again, tries to persuade Skywalker to join the Dark Side. And it's here he tells Luke that Obi-Wan never told him what really happened to his father. Luke, who thinks Vader killed his father, is just as surprised as audiences were to hear that no, it is Darth Vader who is his father. Search your feelings; you know it to be true! Nooooooooo! "I know you are, but what am I? I know you are, but what am I? I know you are, but what am I? I know you are, but what am I? ... Infinity!" It's rhetorical and childish, but you can't deny it's funny. "You're crazy! I know you are, but what am I? You're a nerd! I know you are, but what am I? Oh, and the comic gold that is Pee-wee and Francis. The first to stand on his desk and say it as John Keating is collecting his belongings, is Todd Anderson. Then Knox Overstreet. Followed by Pitts, then Meeks, and so on. "Carpe ... Carpe Diem. Seize the day, boys. Make your lives extraordinary." The numbers all go to 11. Look, right across the board. 11, 11, 11 ... " says Spinal Tap guitarist Nigel Tufnel as he proudly shows off his amps to filmmaker Marty Dibergi in "This Is Spinal Tap." But when Marty asks him why not keep 10 as the top number, but make it louder, Nigel pauses. "These go to 11," he repeats. The Kid, in "Purple Rain," doubts Apollonia would pass the initiation -- "to purify yourself in the waters of Lake Minnetonka." Apollonia strips off her clothes, runs toward the lake and jumps in. But, in the end, "That ain't Lake Minnetonka," he says. What's your damage, Heather? Veronica Sawyer is obviously not a Heather, however she's best friends with them. Together, they're the most powerful clique at Westerburg High School, in Sherwood, Ohio -- and "Ronnie" is your most sarcastic friend. Do you believe in UFOs, astral projections, mental telepathy, ESP, clairvoyance, spirit photography, telekinetic movement, full trance mediums, the Loch Ness monster and the theory of Atlantis? Perfect. Have we got a job for you. (But remember, don't cross the streams.) Sitting around the library, Bender, Claire and Brian are talking about clubs -- academic versus other kinds of clubs. In physics club, Brian says, they talk about physics and properties of physics. And that's when Bender delivers this line, "So it's sorta social, demented and sad, but social. Right?" If you are a fan of the author Nicholas Sparks, you will love the movie A Walk to Remember. Based on Sparks's novel by the same name, the movie is a romantic saga of love, sacrifice, and happiness. You will be touched by Mandy Moore's brilliant portrayal of Jamie. Shane West also grabs eyeballs for his passionate performance. Landon: Our love is like the wind... I can't see it, but I sure can feel it. Landon: I'm sorry she never got her miracle.Reverend Sullivan: She did. It was you. Landon: [voiceover] Jamie saved my life. She taught me everything. About life, hope and the long journey ahead. I'll always miss her. But our love is like the wind. I can't see it, but I can feel it. Ms. Garber: Mr. Carter, are you trying to be bad at this?Landon: Nah, it just comes naturally. Jamie: The problem isn't finding out where you are gonna go-it's figuring out what you are gonna do once you get there that is! Jamie: You know what I figured out today?Landon: What?Jamie: Maybe God has a bigger plan for me than I had for myself. Like this journey never ends. Like you were sent to me because I'm sick. To help me through all this. You're my angel. Landon: [Reading from Jamie's mother book] "Love is always patient and kind. It is never jealous. Love is never boastful or conceited. It is never rude or selfish. It does not take offense and is not resentful". Landon: Jamie has faith in me. She makes me want to be different, better.
